

Draw the Future and It Will Come

Takamiya provides comprehensive services for a wide variety of products, including temporary equipment, ranging from development and manufacturing to sales, rental, design, installation, management, and logistics.

We use technological innovation to create products and services with high added value and develop platforms that provide solutions to our customers.

As a provider of one-stop services for all construction work, including on-site safety and workability, we contribute to the growth of the construction industry.

Editorial Policy

The content of this report ranges from the Takamiya Group's history to its strategy for medium- to long-term value creation, the path to achieving its mission and vision, and financial and non-financial information.

Our aim is to provide all stakeholders, in particular shareholders and investors, with a better understanding of the Takamiya Group.

We hope this report will help you deepen your understanding of the Takamiya Group, which is transforming into a new corporate group, with "Love" set as the Mission Statement.

We will continue to disclose information in an easy-to-understand manner, reflecting the opinions and requests of various stakeholders.

Note Regarding Forward-Looking Statements

The performance forecasts and other forward-looking statements in this report are assumptions made by the Company based on information available at the time of publication, and involve inherent risks, uncertainties, and various other factors that could cause actual results to differ materially from forecasts herein.

Scope and Period Covered

This report is a collection of information that is highly relevant to the Takamiya Group. It covers the fiscal year ended March 31, 2023 (from April 1, 2022 to March 31, 2023) unless specified otherwise, and also includes information on subsequent periods (on and after April 1, 2023) for latest updates.
